Spring 2019

**What is Challenge Island?** Challenge Island® is where engineering meets imagination! It's a one-of-a-kind enrichment program on the forefront of S.T.E.A.M (*Science, Technology, Engineering, Art and Math*) Education and 21st Century Learning. We take children on a unique "island" adventure where they work in collaborative tribes to take on high-level thinking challenges using only the materials in their treasure chest and their creativity.
