

# Job of the Week:

## Teacher & Staff Appreciation Chair

Miramar Ranch teachers are amazing!

We need a volunteer to spearhead our annual Teacher & Staff appreciation week May 6-10. Solicit potluck items via web-based signup sheets; organize flower sales; coordinate door decorations and posters. Encourage students and parents to let our teachers and staff know how much they are loved by suggesting easy ways to celebrate and honor them.

Our outgoing volunteer can offer training and support.
