RETURN TO MAD SCIENCE ONLY BY DEADLINE

Aerodynamics

Wrestle with the strength of air and experiment with invisible forces that have incredible power. Build your own aeroflyer!

Black & Blue Oceans

What happens in our oceans over millions of years? Test the effects of pollutants in water & see how we can change the future.

Incredible Machine

Explore the mysteries of the human body. See what happens when you breathe. Take home a working model of your lung!

Mineral Mania

Look beneath the earth's crust & discover what's underneath us. See how scientists find riches underground and pan for gems!

Radical Reactions

Experiment with substances that create really radical reactions. You'll even take home your own Mad Science Super Ball!

Secret Messages

Become a Science Spy and learn how to send secret messages using special codes. Learn how to keep secret information safe.

Please notice registration deadline. If failed to register before that date, please know your child is welcome to stay in the class and participate in as many activities that we have enough materials; however, he/she will not receive a take home until the next class meet if registration is complete. He/she will be provided an activity while other students participate in the take home, or you will have the option to pick up your child 10-15 minutes early. For more details, please call Mad Science (858)505-4880. Daycare students will only have the option to participate in the activity and stay for the entire class.
