

We Are So Thankful....

...for our students who come to school every day, on time and ready to learn!

...for our families who support their children with healthy habits so they can be at school every day!

...for our teachers and staff who pour their energy into making our school an exciting place for children to learn and grow!

Remember only a few absences, even if excused, can add up to loss of valuable learning time that is never really made up.

**School is closed Monday Nov. 20 through Friday, Nov. 24, 2017
Resumes on Monday, Nov. 27, 2017.**

Thank you for your efforts to avoid unnecessary absences during the Thanksgiving holiday!
