

Attention Parents!

Photos needed for the yearbook.

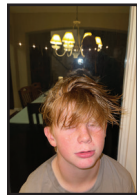

This year since school portraits were not taken and all of the usual photos on campus and during field trips don't exist, we need your help.

We need 2 photos of your kid(s):

- 1) We need a "Headshot" photo

Photo should be vertical with a plain background. Dress and style your child's hair like you want them to be seen in the yearbook.

Zoom in (*different zoom*) and get a picture of their head and shoulders.

- 2) We also need a "Candid" photo:

Most any photo of your child will work (sports, vacation, etc.)

Photo can be horizontal or vertical

When you have your two photos please email them to:

mre@lavagraphicdesign.com

In the "Subject" line please put only the last name of your child's teacher.

This will help me organize the emails/photos by class.

In the "body" of the email please put your child's first and last name (spell them correctly as I will be copying and pasting for the yearbook).

Please include their teacher's name and grade as well.

Finally attach or embed the two photos and send them to me.

PLEASE SEND PHOTOS BEFORE MONDAY MAY 17TH
