Dear MRE Parents,

What is your child's favorite class at MRE? Is it ArtCorps? Super Science? Media Center? How about their favorite after school activity? Halloween Carnival? Outdoor movie nights? Family Fun nights? These events are all planned, executed, and funded by the FFA. Due to many active parents either moving or graduating at the end of this year, we are in danger of losing multiple executive board and committee positions; which then in turn would mean that these fun events may not occur next year.

The FFA is a non-profit, parent organization, dedicated to enhancing the educational experience at MRE through volunteer work and fund-raising. The FFA board members are nominated and are voted into their board positions during the FFA meeting in May. Everyone who has a student at MRE is already a member of the FFA. There are no membership fees and everyone is invited and welcome to attend the monthly FFA meetings. Several FFA volunteer opportunities can be completed from home and require only a small time commitment. Being involved with the FFA is a chance for you to use your creativity and talents, provide input and suggestions that benefit our children and our school.

We have many upcoming Executive Board position vacancies including Vice President, Auditor and Parent Liaison. There will still be several FFA members around to help and support you in your new position. (Below are descriptions for some of our vacant positions).

Along with these FFA Executive Board positions, there are also several committees that would benefit from your talents and ingenuity. One of our high profile committee chair positions needed is the Halloween Carnival Chair. If you love Halloween, would like to work with amazing, talented people and love to have fun- then this is the chair position for you! We are recruiting for our 47<sup>th</sup> annual Miramar Ranch Halloween Carnival Committee Chair today! Our outgoing chair will be available for training and guidance.

Please consider volunteering your time to help MRE continue to be an exemplary school and to continue to offer these programs and events to our children. Feel free to connect with any of the existing board members, the principal, or the nomination committee chair with questions or concerns.

Thank you,

The **FFA Vice President** acts as an assistant to the President by, in part, supervising preparations for FFA meetings, acting as Parliamentarian at FFA meetings, and performing the duties of the President in the President's absence.

The **FFA Parent Liaison** coordinates and communicates with the Room Parents, provides the Room Parents with the Room Parent Handbook and other resources, and helps to recruit volunteers when needed for school events.

The **FFA Auditor** audits each FFA fundraising activity to verify that all income and expenditures are allocated to the correct categories and are within the approved budget.
