

Dear Miramar Ranch Family,

Welcome to the 2020-21 school year! We hope you and your family had some time to adapt to the changes that have been taking place as we all adjust to a “new normal” with safety and health concerns at the forefront.

The Miramar Ranch Family-Faculty Association (FFA) is dedicated to strengthening and enhancing the educational experience at our school. In the past, we have funded Art Corps, assemblies, classroom supplies, our Super Science lab, Running Club, and more. This year, things are going to look different, but we are no less dedicated to supporting our students, regardless of whether they are on campus or distance learning from home. Our budget this year will help to fund, among other things:

- Super Science Materials and Instruction
- Visual and Performing Arts Programs
- Reading Instruction Support
- Classroom Supplies
- Educational Software
- Teacher Reimbursements
- Support for English Learners
- Books for our Diversity Curriculum

We need your support to meet the needs of our teachers and families throughout the course of the year. Historically, we have spent over **\$100,000** each year to support Miramar Ranch students. These funds allow us to meet needs unique to our school that are not funded by the school district. Your tax-deductible donation to the FFA will help ensure that we can flexibly respond to these challenging times.

Donations of any amount are greatly appreciated and always voluntary. Can we count on you to help? If our mission is important to you, please show your support with a generous contribution.

Large or small, your contribution matters. Every dollar raised stays at Miramar Ranch! And because the FFA is a 501(c)(3) non-profit organization, your donation is tax deductible within the prescribed by law.

This year, our pledge drive will be held exclusively online, and **our goal is to hear back from 100% of Miramar Ranch families.** Simply responding to this letter, *with or without a donation*, counts towards participation. Just go to www.miramarranch.org/pledge and either complete your donation or click on the “Not this Year” button to respond without donating. Each class that reaches at least 90% participation will earn an extra enrichment class (art, science, or game time with Ms. Kalicki) and a giant bubble party when we return to campus!

Thank you for your support. We are looking forward to a great year!

With appreciation,

Diane Hunter
2020 Pledge Drive Chair
